The following is an examiner's statement of reasons for allowance: Amended claims 2-8 and 11 recite "a composition of matter". This is understood to be the same "composition of matter" recited in parent claims 13 and 15, since only in the formula recited in the parent claims are the coefficients and element symbols used in claims 2-8 and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
